

SPECIAL ANNOUNCEMENT

LD&B Insurance and Financial Services would like to recognize the significant fund raising challenges local volunteer fire and rescue departments face. Because of our dedication to our communities, LD&B and Loudoun Mutual Insurance Company are joining together to help with the following fund raising effort:

We invite persons and businesses to make a financial contribution to the volunteer fire departments / rescue squad of their choice in our geographic area (Shenandoah County, Rockingham County, Augusta County, and Page County) between June 1, 2017 and June 30, 2017. ***The contributions will be matched three dollars to one dollar.***

The goal is for \$5,000 in gifts to be made from the community to maximize the \$15,000 in available matching dollars for a total of \$20,000. Loudoun has committed \$5,000 and LD&B has committed \$10,000 to be used as the three dollars for dollar matching funds.

Please make checks payable to **The Community Foundation (TCF)** and designate the *specific* volunteer fire department / rescue squad located in Shenandoah County, Rockingham County, Augusta County, or Page County that you would like to receive your contribution. TCF will account for all the checks and apply the matching funds.

Financial contributions will be accepted at the seven LD&B locations: Bridgewater, Broadway, Harrisonburg, Luray, Mt. Jackson, Staunton, and Woodstock. Checks may also be mailed to:

The Community Foundation of Harrisonburg/Rockingham County
P.O. Box 1068
Harrisonburg, VA 22803

We sincerely appreciate the service the fire departments and rescue squads provide throughout the country. We recognize and thank the families, friends, and employers who provide support and encouragement to the volunteers.

With gratitude in mind, thank you for considering a gift.
