

## LD&B COVID-19 Response Update

Given the changing circumstances relative to the spread of the COVID-19 virus we are updating our office visitor policy.

In order to honor the request of health care and governmental leaders to practice “social distancing,” we will close our offices to visitors effective Monday, March 23, 2020. While our doors are closed to the public, we remain open for business via telephone and email.

For immediate assistance during office hours please call or email!  
We are ready, willing, and able to help you!

We are glad to join our community and nation in fighting the spread of COVID-19. Thank you for your patience and understanding as we do our part to protect the health of our employees and our clients.
